

Instructions for detailed poll site observation recording (see the worksheet on the next page):

1. Please indicate with hash marks (a) the number of people entering the polling site intending to vote, and (b) the number of people successfully checking in to vote, in 10 minute increments.
2. At the times given on the sheet with dark boxes, please count the number of people (a) standing in line waiting to check in, and (b) those waiting to use voting machines (after checking in).
